

# PLASTIC SURGERY — OF WESTCHESTER —

## Custom Color Consultation Form

Client Name \_\_\_\_\_ Date \_\_\_\_\_

**REMEMBER:** Fill cup approximately 1/4 full with base color prior to color blending. Stir mixture with a microbrush to blend.

Undertone: **(check one)**

Warm: \_\_\_\_\_

Cool: \_\_\_\_\_

Use the chart below to record formula for custom color blending.

Instructions: Check the base color box first. Always fill cup ¼ full with base color prior to adding other colors. Enter the number of drops for undertone and lightener.

For color corrections:

- Choose warm up to correct grey or blue
- Choose cool down to correct pink or orange

	Med Brown	Dark Brown	Black Brown	Warm Up	Cool Down	Tone Correct
Base Color						
Undertone						
Lightener
